***Compliance Inspection Permit fees do not include travel time. Inspection will occur on next trip to Victor by inspector. Requirement by customer for inspection when no other inspection is scheduled will be subject to hourly rate for anticipated travel time -- usually three hours.

Any person who commences any work on a building, structure, electrical, gas, mechanical or plumbing system before obtaining the necessary permits may be subject to an investigation fee of an amount equal to the permit fee, which shall be in addition to the required permit fees. The investigation fee may be waived under two conditions: 1) in the event emergency repairs were made and the permit application and fees are submitted within three business days following the emergency repair being made, or 2) in the event work requiring a building permit was started before a building permit is obtained and the permit application and fees are submitted within three business days following the issuance of a written notice of failure to apply for a building permit.

^{**}Actual costs include administrative and overhead costs.
